Method of Payment:

Our terms are Net 30 days from the date of invoice on established accounts. You may pay with company check, VISA, MasterCard, Discover, or American Express. First orders require Credit Card or another approved prepayment method. Failure to keep your account in good standing may result in modifications to these terms. UPS automatically covers most packages for up to \$100 for both domestic and international shipments. UPS can provide *declared value coverage for an additional fee* for packages that exceed a \$100 value. Please notify us at the time of order if you choose to have your freight insured beyond the \$100 standard coverage. Freight charges, including additionally requested insurance fees, will be applied to your invoice total. Damaged goods, goods that are missing as a result of a damaged shipment, or lost shipments must be reported to Miller's immediately and noted on the freight receiving bill. You, as consignee, are responsible for contacting Miller's for the timely filing of freight claims. Damaged or lost items which were not insured for declared value coverage may result in a claims loss limited to, and reimbursable of, only \$100.
